

BSRC Open Historics Match 2018 – Report and Results

The attendance at our Annual BSRC Open Historic match was very low, no doubt because it was held on Mother's Day.

As usual an interesting array of historic rifles was in use and there was some good shooting.

My thanks to the Range Officers, Don Pearce, Darren Cottee, David Yendell and Derek Stimpson, and to those few competitors brave enough to risk the wrath of those at home.

Despite the low turnout those who attended seemed to enjoy themselves and we look forward to a different date next year.

Adrian Dagger, Match Organiser.
