

Norwegian Moving Target Match - Update

Oslo 2018

Unfortunately, due to a few local issues in Norway the original match in May has been cancelled. As a consequence, the BSRC has been invited to shoot alongside the Norwegians and other teams from across Scandinavia in the Nordic Region Shooting Championship 22 – 26 August 2018.

This is a fantastic opportunity to be part of a larger competition that incorporates both Moving Target and the wider ISSF events. We will be competing in 50m Running Boar 30 + 30 and mixed runs and, whilst not part of the Nordic Championships will also be shooting 100m Running Deer. It is hoped that as well as the Norwegians other attending nations will also be shooting in this event too.

I would very much welcome, in addition to those who have already committed to compete, contact from other members who would be interested in joining the team in August. The invitation is open to all both seniors and juniors and of whatever ability.

Please email captain@bsrc.co.uk by 30th June 2018 for more details or a discussion. I am keen to promote this event as it fulfils the BSRC's ongoing commitment to encourage and promote international competition and will support the Nordic Region in their efforts in supporting moving target events.

John Maddison

Captain BSRC
