#### Basis of Classification Awards

2-5 entries = 1 award; 6-10 entries = 2 awards; 11 or more = 3 awards. If only one, include in next higher.

N.B. If a potential winner of a classification award has already won an award in that competition by being first, second or third in it, they do not receive the classification award as well, and it does not go to another competitor.

There are 4 new Classification lists: MT & Statics each in Open & Class B. To be classified in a section one needs to have posted at least one score in each of the relevant events in that section between Jan 2016 and March 2017.

On this occasion those with a classification were divided equally into Marksman, Expert and Club
