

Spring Match 21st & 22nd April 2018

Match Report

With an entry of 33 we were blessed with the warmest weekend of the year to shoot the Spring Match which seemed to put everyone in a good mood and hopefully aided performance!

My thanks go to all those who assisted over the weekend, Darren as CRO and Peter Clarke, Richard Jeffrey, David Yendell and David Morris as RO's and to David Howson for cooking on Saturday and Hamish McLellan for shopping for the BBQ on the Sunday – many others dug in where needed and without this assistance we would have struggled to complete all the shooting in the programme.

It was good to meet new members who had entered their first major match and their enthusiastic participation was great to see. I very much look forward to seeing them at more matches in the future as too a few more juniors to give Gus McLellan some competition!

I'd like to take the opportunity to promote the forthcoming Deer Championships in July and the Boar Championships in August. Calling notices will be coming out for these matches in the usual manner.

Before then can I remind everyone that entries are still open through the NRA for the Sporting Rifle events in the Phoenix match between the 25th & 27th May. It would be great to see these events well support by BSRC members.
