

The Fox

The following rules apply in addition to those detailed in Rules Applicable to all Static Sporting Target Competitions:

Rifles & Ammunition: Any rifle is permitted which meets either the BSRC Class B or BSRC Class A centrefire standards. Those wishing to shoot for 'score only' will be permitted to use any rifle/ammunition combination meeting NRA Range Regulations.

Range and Target Standards: Targets must be of a design approved by the Executive Committee of the BSRC. The target currently approved by the Executive Committee to be used for this discipline is the DJV Fox. The event is shot at 200m on the NRA Short Siberia Range.

Shooting Position: This event is shot from 2 positions:

- Sitting
- Standing

Course of Fire: Shooters will be required to fire a total of 10 rounds in two series of 5 shots, no sighters permitted, at a DJV Fox target.

The first series of 5 shots will be from the sitting position using double sticks for support, the second series of 5 shots will be taken from a standing position using double sticks. Only double sticks with two points of contact with the ground and a single point of contact with the rifle will be permitted.

A time limit of 90 seconds will be applied to each series of 5 shots.
