

The “Michael Baxter”

In addition to Rules Applicable to all Moving Target Competitions, the following rules apply:

Rifles & Ammunition: Any rifle is permitted which meets the BSRC Rimfire .22LR. There are no restrictions relating to ammunition other than the range limits.

Range Standards: The range must conform to the ISSF specifications. This event is shot on either of the 50m Running Boar Ranges.

Course of Fire: The course of fire is 2 sighting shots slow runs, 10 competition shots slow runs and 10 competition shots fast runs. The series will be fired consecutively without a break. ‘Dry firing’ is not permitted. Shooting is otherwise in accordance with the ISSF Rules for the 50m Running Boar event.

If two or more shooters tie for first place, the shooter whose worst shot(s) has the highest value will be deemed to have won. The decimal scoring available with the electronic target system (out to the ‘1’ ring) will be used to establish the worst shot.
